PERCY REID, VOCALIST, MAKING GOOD AT GRAND

As an added attraction to the picture program at the Alamo and the Paris Grand this week, the management has engaged Percy Reid, as soloist. Mr. Reid is too well known to the people of Paris to need formal introduction. Several years ago he sang at the old Comet Theatre, where he won golden opinions of the patrons.

Mr. Reid possesses a remarkably good voice, which he knows how to handle to the best advantage, and his repertoire is an extensive one, ranging from the classic to the gay. Mr. Reid's work at these popular picture houses this week has been the means of attracting large audiences and it will be a ten-strike for the management to continue the engagement for an indefinite period.

SLUMP IN MARRIAGE LICENSE BUSINESS.

County Clerk Pearce Paton is of the opinion that there has been a decided slump in the marriage market recently in Bourbon county, as, taking former years as a basis of computation, there has been a noticeable falling off in the number of marriage licenses issued.

Clerk Paton, like all men of rotund build, is ever an optimist and sees the bright side of things. He is not discouraged over the slump, as better things are to come in the future. "I can hardly believe the dear young people have quit the loving game," says Mr. Paton. "They spoon in the moonlight just the same as ever, they bill and coo, they tell the sweetest story ever, but they don't pop the question. It isn't that there isn't anything for Dan Cupid to do any more. Oh, no. It's just that there is a housing problem, and coffee and beans cost so much. The salary that used to support two easily won't do it any more, that's my idea."
